

Notification of Accessibility of the Service Line Materials Inventory

City of Long Prairie

The City of Long Prairie has completed and submitted our service line materials inventory to the Minnesota Department of Health. The service line inventory is publicly available, and you can check the materials for your service line by visiting the Lead Inventory Tracking Tool (LITT) at <https://maps.umn.edu/LSL/> you may also contact us at (320) 732-2167. To complete the service line inventory our system performed record review, community outreach, and/or visual inspections.

As of October 16, 2024, our inventory contains 3 lead, 23 galvanized requiring replacement, 528 unknown material, and 722 non-lead service lines.
