Off-highway vehicle registrations & fees

OHVs used in Minnesota must be registered with the DNR or the operator must possess a trail pass if operating on state and grant-in-aid trails. Fees collected from registrations and trail passes go directly into the OHV accounts to support new trails, OHV safety and education and management and maintenance of existing trails.

— Renew a registration

You can renew your off-highway vehicle registration at any [deputy registrar of motor vehicles \(https://dps.mn.gov/divisions/dvs/locations/Pages/find-office-locations.aspx\)](https://dps.mn.gov/divisions/dvs/locations/Pages/find-office-locations.aspx)  (where you license your car), or at the DNR License Bureau in St. Paul (500 Lafayette Road, St. Paul, MN). You can also renew using [online licensing system \(/licenses/online-sales.html\)](/licenses/online-sales.html).

If you are not the registered owner, a person may renew for you only if they have the DNR-generated renewal notice, or they must provide a [Consent to Renew Registration form \(PDF\)](https://files.dnr.state.mn.us/rlp/licenses/dep-reg-consent.pdf) (<https://files.dnr.state.mn.us/rlp/licenses/dep-reg-consent.pdf>) or show proof of holding Power of Attorney.

To expedite your renewal: Visit a deputy registrar office or renew online and receive a temporary receipt to use immediately. If you previously mailed in your renewal and do not want to wait for it to be processed, you can [visit a deputy registrar office](#)

(<https://dps.mn.gov/divisions/dvs/locations/Pages/find-office-locations.aspx>)  or [renew online \(/licenses/online-sales.html\)](/licenses/online-sales.html) and receive a temporary receipt to use immediately. Your mail-in renewal check will then be returned to you.

For people who are about to renew: We encourage you to renew your OHV registration online or at your local deputy registrar's office. If you renew online, you will receive a temporary permit/confirmation page to print out for immediate use. Or you may write down your temporary authorization number from you confirmation page. Your registration card and expiration decals will then be mailed to you.

— Transfer a registration from a private seller

If you purchase a used OHV in Minnesota, you must register it in your name within 15 days for ATVs and OHMs and 30 days for ORVs. You must receive a bill of sale from the previous owner including the year, make, model and vehicle ID number (VIN) of the OHV as well as the seller's printed name and signature.

— Information for non-resident riders

OHVs legally registered in another state or country, and not in Minnesota for more than 30 days, are NOT required to purchase a Minnesota registration, but are required to purchase a non-resident trail pass. [Learn more about non-resident OHV trail passes \(/ohv/nonres_pass.html\)](/ohv/nonres_pass.html). You may purchase a non-resident trail pass:

- At [DNR license agents \(/licenses/agents.html\)](/licenses/agents.html)
- At the DNR Central Office in St. Paul
- By phone at (888) 665-4236
- Through the [DNR online licensing system \(/licenses/online-sales.html\)](/licenses/online-sales.html)

If your state does not require a registration, you will need a Minnesota registration. See above for instructions to register your OHV.
